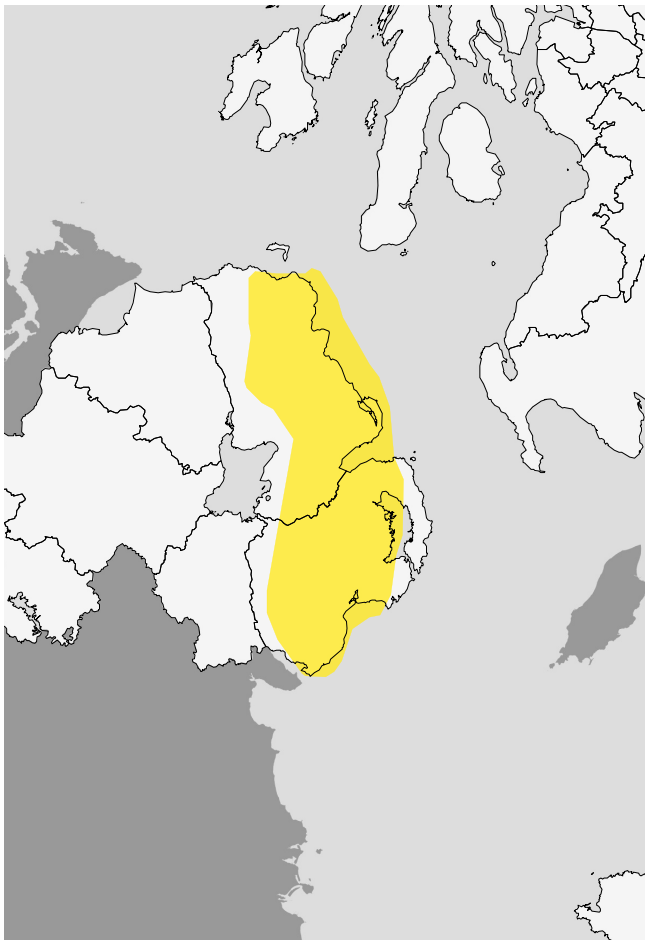
Yellow warning
**Rain**

Between
**18:00 Tue 26 Mar 2024** and
**13:00 Wed 27 Mar 2024**



## Further heavy rain will bring impacts to travel and infrastructure for a time Wednesday.

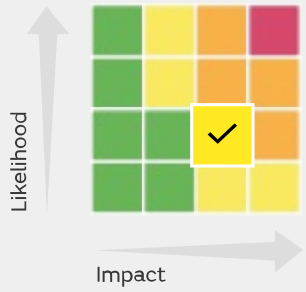
### What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

### Further details

Following heavy overnight rainfall, further heavy rain is expected through this morning before clearing northwards by early afternoon. Some places may see a further 15-20 mm of rain, especially on the eastern slopes of the Antrim Plateau before rain clears.

What should I do?
Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.



Low likelihood of medium impacts

## Further Details (continued)

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.
People cope better with power cuts when they have prepared for them in advance. It's easy to do; consider gathering torches and batteries, a mobile phone power pack and other essential items.
Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.

## Reason for update
